### The true alternative

The Vita Premium from NetSpa is an innovation in the world of spas. This new spa is rigid, making it the perfect solution for anyone looking for a portable spa at an ultra-competitive price!

Built with eight walls made from 13 cm insulating foam, this spa is wrapped in an external liner made from 8 mm thick imitation leather.

This extra-deep (73cm) spa meets the highest standards so you can immerse your torso completely for a full massage.

With an integrated filter in the motor unit, the internal space has been optimised for 4 to 6 people.
